6. BCCT's future

There was general agreement that BCCT was an organisation with the potential to provide a 'delivery service' to the Bude area. In the light of the work being done on the Economic Development Plan, PLB suggested that a proposal for closer collaboration be developed, as a basis for discussion with BSTC – and possibly involving Cornwall Council and the councils in the Community Network.

It was thought that a small working group be set up and JG agreed to contact the BSTC Mayor to explore the viability of this idea, and PT would inform the Town Clerk.

JG agreed to generate a first draft of an outline proposal which would be circulated to the Board and BCCT's development managers.

a) Localism

It was agreed to monitor the progress of the Localism strategy via BCCT's participation in the Bude Area Community Network Panel and in conjunction with the Community Link Officer.
