Addendum re item 2 - Copy of Update email of 29 July 2020

To all on the Full BCCT group mail list

A lot seems to be going on – so this is a brief update – based on some developments since the last Full BCCT meeting on 13 July. The item numbers used below relate to the relevant Minutes, sent on 14 July 2020.

It's possible that news of some of these matters may emerge in the coming days/weeks, so we wanted you to hear formally (albeit that some recipients will already know).

3. BSSP. The quarterly meeting of the parties to the MoU/BSSP took place yesterday (28 July). As in the past, Zoe will be issuing an updated summary of the changes to the projects listed, and a copy will be passed on. The summary will be in draft format initially, pending approval by those at the meeting.

4 a). Climate Action Plan grant application. BCCT has been informed that the announcement from the National Lottery Community Fund managers expected early next month, has been delayed – and it's not now expected until the second half of the month.

4 d). BCCT Mailing List. We hope to issue the second News/Updates bulletin shortly.

#5. BCCT Future Structure, etc. At BSTC's full council meeting last week (23/7 – postponed from 16/7) it was agreed that a working group (led by Peter la Broy with support from Cornwall Council) would be set up to advance the formation of a town team, enabling access to funding schemes from Cornwall Council initially, and possibly from the MHCLG Towns Deal (which has already been accessed by four places in Cornwall). BCCT will be involved in future discussions; more information to follow in due course.
