I refer to my email of Sun 29 August that advised you of the invitation received from BSTC to submit a proposal about how BSTC and BCCT could better work together.

Report

1. The meeting (Thur 2 Sept) was of the BSTC Econ Devt working group, to which all town cllrs were invited.
2. Tony Gibbs chaired the meeting; not all town cllrs attended.
3. There were 6 from BCCT – the four Board members, plus our two Development Managers.
4. Attached is a copy of our PowerPoint presentation. The slides do not tell the whole story – though there are Notes that support the on-screen information. (You may have to alter the View settings on your device to see the notes.)
5. A lengthy discussion followed, the outcome was inconclusive.
6. The next step is for BSTC to consider its options.

My email of 6 September informed you of discussions between BSTC and BCCT about future collaboration.

The purpose of this email is to provide an update.

Below is a copy of the relevant extract from the Minutes of the meeting of the Town Council on 16 September.

You will see that part of the resolution is that BCCT Board "be invited into the revised Bude Town Team arrangements" and those of us who attended the meeting heard that the invitation was to join the Economic Development working group.

I will do my best to keep you informed of developments.

Discussion and questions to the members of BCCT present took place.

That BSTC agree to grant BCCT £3000 plus set aside a £2000 contingency to cover organisational running costs.

To continue collaborative working that current BCCT Board members be invited into the revised Bude Town Team arrangements.
