## MINUTES

### 1. Apologies.

Apologies for absence were received from Miranda Clarke, Helen Fincham, Tony Gibbs.

In addition Ian Saltern and Ian Mason apologised that they both had other commitments and may have to leave the meeting early, depending on how long the meeting lasted.

Apologies for non-attendance were later received from Peter La Broy.

### 2. The documents below were adopted.

- a) The minutes of the last formal BCCT meeting on Monday 12 July 2021. (The minutes were published on BCCT website in July 2021.)
- b) The Email Updates of 7 August 2021 and September 2021 circulated to BCCT steering group members and published on the BCCT website.

### 3. Bude Town Team

The draft documents from BSTC about the Town Team ToR and Membership were discussed.

Re ToR, some of the key points to emerge included:

- i. BCCT supports BSTC's initiative "to [get the Town Team up and running again](#)" (the words in inverted commas being copied from the Town Clerk's email of 23 December 2021.
- ii. Among the comments was one that said, "It's important to have an entity that makes a difference to the economic development of the area".
- iii. There was general support for a bolder and more ambitious goal by truncating the short-and medium-terms objectives into one broad programme based on some/all of the projects in the 'shelved' BSSP, coupled with the proposals in Gwell (the recently adopted community prosperity plan for the Bude area), as well as being open to other ideas.

It was agreed that Tim Bagshaw and John Gimson would draft a formal response to the Town Clerk's request for "thoughts or questions".

It was also noted that other views may come forward when the agenda for the Town Team meeting on 20 January is published.

Re Membership:

- i. BCCT Director Adrian Bennett has said he would rather his place be taken by Tim Bagshaw (Development Manager) who has been BCCT's nominated representative on the Town Team when it was first formed.
- ii. The list doesn't include CC Portfolio Holder for the Economy, albeit they are on the list in the draft ToR.
- iii. Should the CC Community Link Officer be included in view of the importance of their liaison role between CC and town/parish councils?

#### **4. Meeting closed**
